Special Events

FANAC Fan History Project: Be part of the FHP, dedicated to preserving our science fiction and fannish heritage and making this material available to the present-day fan. Check out the web page at <http://fanac.org>. There are fannish reference works and thousands of photographs on the web site. You may even find your own picture there!

We will be at Boskone to archive our past. We'll have a scanning station to record photos, and a small display to tell you more about us. If you have some unusual items, we'll try to photograph or record them at the convention. If you have any photos, fanzines, publications, or other memorabilia that you might be interested in donating to the FHP collection, contact Joe Siclari at jsiclari@bellsouth.net or talk with him at the convention. All donations are tax-deductible.

Friday night— Meet the VIPs/Alien Casino and Honky-Tonk.

We invite attendees to wear the formal attire of their homeworlds, and we'll provide the gambling chips. Games of chance from several galaxies will test the skill (and sneakiness) of players, while everyone has a chance to mingle with our guests of honor and professionals. Refreshments, dealers, and really tacky prizes will all be available.

Saturday afternoon – a concert by our featured filker, Juanita Coulson.

Saturday evening – after the Boskone banquet (at 9 p.m.) we'll present for your edification and enjoyment a speech by <Pick one>—seating will be available for those not partaking of the banquet.

Sunday afternoon – a Regency Soiree. Learn the proper way to dance, play cards, and drink tea (albeit not all at the same time). There will be a Dancing Master to teach and call contra dance (all

Program

What?

The Boskone 38 program offers panels, talks, discussion, and workshops on many aspects of the science fiction and fantasy field. We have discussions of hard SF and fantasy, literature, movies, and TV. And at Boskone 38 we will have a special emphasis on cutting-edge science and technology and its interaction with SF.

There will be discussions of SF art, fandom, individual authors, and probably Buffy. There will also be an Anime Video room – our gurus have assembled the new, the chic, the fun, and the specials. Pick up your schedule at Information.

Anime – This year's Anime selection looks at why the fate of the world will be determined by your average Japanese female high-school student. From "The Bubblegum Crisis" to "Tenchi Muyo In Love" women are a vital element in Today's Anime scene. Also on the schedule is "Record Of Lodoss War," "Babylon 5 - Londo's Wives," Jackie Chan's "City Hunter" and "Forbidden Planet." Grab your schedule and catch the wave.

Kaffeeklatsches – Interested in participating in an informal discussion with one of our program participants over coffee or tea? Sign up for Kaffeeklatsches at Information.

Autographing – Get an autograph from your favorite pro! Signings will be held in the Promenade in front of the Dealers' Room—check your Pocket Program to see when!

Readings – Come hear writers read and discuss their own works; the Pocket Program tells all (but check Helmuth, the daily newsletter, for errata, addenda, and corrigenda).

Discussion Groups – We are particularly interested in setting up small-scale program items that appeal specifically to you. We'll need your help! This year we want to offer numerous Discussion Groups where you can meet people with similar interests. Some of these will be pre-arranged (check the Pocket Program), but we'll have space available for you to form last-minute groups at-con as well. Sign up at Information. If you have a special request or want to offer to run a discussion group on a specific topic, please email us at boskone@nesfa.org.

We will also have the latest “NESFA's Choice” books at Boskone: **From These Ashes: The Complete Short SF of Fredric Brown**, by Fredric Brown and **Immodest Proposals: The Complete Science Fiction of William Tenn, Vol. 1**, by William Tenn.

Writers' Workshop – Boskone 38 will host a private writers workshop (run along Clarion lines) organized by David Alexander Smith, where several professional writers critique works submitted by a select group of amateur writers. Boskone's hotel is the Sheraton in Framingham, Massachusetts, located on Route 9 (west from exit 12 of the Mass Pike), a short distance from several restaurants and shopping malls. The hotel rates per night are: single or double \$101, triple or quad \$111 (please contact us for suite availability). Phone +1.508.879.7200 for reservations by 5 p.m. EST January 25, 2001, and be sure to mention “Boskone” to get the convention rate.

Special Requests: A limited number of handicapped-access rooms and non-smoking rooms are available, so please let the hotel know right away if you have any special needs. Likewise, rollaway beds and cribs are in short supply, so let them know if you think you'll need one. (There is a \$15 charge for a cot.) Please specify a party or non-party floor room at the time of reservation. If you want to reserve a suite, please contact us at boskone@nesfa.org or write to us at our postal address.

convention material and name badge there. Everyone—committee, staff, artists, program participants, dealers—registers here. We will make it as painless an experience as we can! You can help: bring your “Quickie Sheet” with you. (It’s the back cover of this Progress Report.) If you arrive late, ask at the Convention Office about after-hours registration. If you haven’t yet bought a membership and wish to do so before the convention, please fill out the form in this PR and return it to us by January 19, 2001.

The cost of advance memberships is \$36. We accept Visa, MasterCard, checks, and money orders. At-con rates are: Full membership—\$46, Friday—\$15, Saturday—\$33, Sunday—\$17. We also accept cash at the con.

The cost of Dragonslair and Space Cadets is included in the con membership, so all children who use these services must be convention members. There is no reduced rate for children. However, children under 10 who stay with their parents at all times are considered “kids-in-tow” who need not have memberships (“kids-in-tow” do not receive any convention materials).

Transferring Memberships. Boskone does not refund memberships. However, you may transfer your membership to someone else. All membership transfers must be done in writing. Your transferee will be able to register much more quickly at the convention if you write to us in advance to let us know of the transfer and have your transferee bring a copy of your transfer letter and your “Quickie Sheet” to Registration. Please note that life memberships are not transferable.

Newsletter – Helmuth, Speaking for Boskone, the convention newsletter, features updates and changes to the program as well as lists of parties and other news. Copies of Helmuth will be distributed around the hotel—Art Show, Hucksters’ Room, Con Suite, et al. You can always find copies at Information on the Grand Promenade.

Filksinging – Filksongs are fandom’s folk songs, with themes of SF, fantasy, and fandom. The Filk Program begins with group singing on Friday evening. On Saturday afternoon, there will be concert sets by local and visiting performers and a voice workshop. Saturday evening, there will be more concert sets. There will be open filking on Friday and Saturday nights, and dead dog filking on Sunday afternoon. There will be a theme concert on “Beauties and Beasts.” People are invited to sign up and perform a song.

games, space for people who want to play everything from checkers to Dungeons and Dragons.

Art Show & Print Shop – Our Art Show includes a special exhibit of the works of our Official Artist Charles Vess plus over 80 panels and tables full of original SF artwork, most of which is available for bid and/or purchase at the con. Also check out our Print Shop for many great buys.

Dealers' Room – The Dealers' Room (aka The Hucksters' Room) will feature a wide variety of science fiction, fantasy, and genre books, jewelry, clothing, and all manners of tchotchkes. Check the Boskone web site <<http://www.nesfa.org/boskone/>> for a list of dealers scheduled to attend. The Dealers' Room will be in a new location, next to the Art Show on the main level of the hotel.

Con Suite – The Boskone 38 Con Suite is at the hub of the universe convention. Fans can join program participants for party-type refreshments, interesting conversation, and special events. Children may not be left unattended in the Con Suite. The Con Suite will be in a new location on the lower level of the hotel.

Dragonslair & Space Cadets – Dragonslair is children's programming for ages 7 to 12. We are planning some fun and interesting things. Bruce Coville has promised us a storytelling/reading hour; Jim Macdonald will teach children how to craft amazing paper airplanes; and Deb Geisler will do a group-participation beading demonstration (nobody leaves without a necklace!). We're also looking for your ideas for things you'd like to do – you can email us at <boskone@nesfa.org>. We'll create some artwork to be hung in the art show – how about a mural? – and have time to just hang out. We have firm hours of operation (see list earlier in this PR) and will close for lunch and dinner on Saturday. We reserve the right to collect a fee for children not picked up at these times. Let us know if you will be using Dragonslair – come and have fun!

Space Cadets is for active children 2.5 to 6 years old, with plenty of energetic play, and simple arts and crafts.

Purchase of a Boskone membership entitles a child to attend either or both of these programs. Advance registration is requested to assist us in planning and preparation. A child younger than 2.5 is welcome to attend Boskone as a child-in-tow (at no cost). You must attend your child at all time. We do not provide baby-sitting, but we will assist parents in making private baby-sitting arrangements if requested (please write us).

Information – Seeking knowledge? Whether it's details on area restaurants, or the location of the secret staircase, Information on the Grand Promenade can help. It's also the place to go to pre-register for a discussion group, kaffeeklatsch, or other event that requires sign-up; drop off items for the convention newsletter; or get the latest copy of Helmuth. Stop by the Information table on the Grand Promenade and see what we can do for you!

Body Snatchers (Volunteers) – The best way to meet other people at a convention is by volunteering, and Boskone needs you! Science fiction conventions run on blood, sweat, and volunteers. Body Snatchers allocates volunteers among the many different areas that need them—opportunities are available for all physical and mental abilities. If you are willing to help, please fill out the volunteer form (including a Release Form) at Information. Those who work at least six hours will receive a gift. If you are under 18, your parent or guardian must sign the Release Form (but you'll only have to work 4 hours for your gift).

Club & Bid Tables – Want to publicize your club, convention, or bid? We will have tables available for this purpose on the Promenade. Table space is limited, so please write or email us in advance.

Registration – Registration for Boskone will be open on the Promenade (outside the Grand Ballroom) all weekend. Get your
