ADDITIONAL INFORMATION

This year’s Boskone will feature an expanded and enhanced program of activities and panel discussions. Our Guest of Honor, John Scalzi, is a writer, blogger, and film critic. Winner of both the Hugo and Campbell Awards, and has appeared on the New York Times bestseller list twice.

The Boskone program includes authors, editors, and art show participants. Our special guests include well-known science fiction and fantasy authors such as Charles Stross, due to Boskone book by our Guest of Honor, John Scalzi, published by NESFA Press.

KIDS’ STUFF

In our Dragonslair program, you’ll find readings, toys, games, crafts, and hands-on demos designed to appeal to the elementary-aged set. Adults are welcome to join in on the fun as materials allow.

CONSULATE

The center of Boskone, the Consulate is the place to pick up a quick snack, have a conversation, or just sit and watch the rest of the con go by. There are comfy sofas to curl up in (maybe with that Scalzi book). You can also participate in one of the many Kaffeeklatsches—cozy conversations with one of our authors—or sign up for a Discussion Group. Or perhaps just sit & knit.
